

Password registration form

The West Midlands Pension Fund is always looking for ways to improve its service to you. A personal service is now available for you to take care of the majority of your Local Government Pension Scheme needs over the telephone. You can call to check your membership and pension details, request personal information or even record a change of address.

To benefit from this service and for security reasons you must first register and set up a unique password. You can do this now by completing and returning this form, using the envelope provided. You need only register once for this service.

In future, every time you call to request private information or to make a change to your personal details, you will be asked to confirm your password and at least two other pieces of information personal to you. When staff are confident about your identity, they will process your request and provide written confirmation of any changes actioned by you.
