Notes

- Any additional costs arising if specialist actuarial, legal, etc. advice is requested will be charged in full in addition to the figures quoted above.
 - Where a scheme member has an Additional Voluntary Contribution contract under the LGPS, the insurance company, etc. may charge for the provision of information. Any such charges will be charged in full in addition to the figures quoted above.
 - Any reasonable administrative costs incurred or likely to be incurred in complying with an “earmarking order” will be charged to the pensioner member.
 - Any costs incurred in relation to a “pension sharing order” which is made the subject of an application for leave to appeal out of time will be recovered by the authority administering the pension fund.
 - VAT will be payable in addition to all the above charges.
 - All charges are correct at the time of production of this charging schedule (February 2001). The authority administering the pension fund will increase its charges each April by RPI (over the 12 months to the previous September).
 - The standard practice of the authority administering the pension fund is that an invoice will be issued for the charges marked with an “*”. All other charges can either be paid
 - in full at the point of action, by either party to the divorce, or
 - by part payment at the point of action, by either party to the divorce, with the balance being deducted from either the cash value awarded to the ex-spouse (the credited member) under the sharing order or agreement before it is converted into an annual pension value under the LGPS or, if the credit member wishes to immediately transfer the pension credit to another scheme, from the transfer value payable in respect of the credited member, or
 - by deduction in full from either the cash value awarded to the ex-spouse (the credited member) under the sharing order or agreement before it is converted into an annual pension value under the LGPS or, if the credit member wishes to immediately transfer the pension credit to another scheme, from the transfer value payable in respect of the credited member,
- or
- by deduction in full from any share of a scheme member’s Additional Voluntary Contribution ‘pot’ awarded to the ex-spouse (the credited member) under the sharing order or agreement.
 - The schedule of charge reflects information provided by the Local Government Pensions Committee. The authority administering the pension fund will, however, comply with the charging requirements specified in an order or agreement.
